

KEY TARGET STATE POINTS

AZ

Margin: 10,000 votes

- 150,000 people in Maricopa County registered after the legal deadline
- Estimated number of illegal people in AZ is 276,000 – American Immigration council estimates that 36,000 illegals voted in this election
- 50,000 votes were loaded into the vote tally ahead of the live-voting start time

GA

Margin: 10,000 votes

- Video of Fraud Happening in Real-Time – State Farm Facility Illegal Ballots Under Table and Counted Repeatedly- at the time of the midnight bump of 200,000 votes to Biden
- Consent Degree Not Legal In GA – Legislators must take back power to certify electors
- Coffee County would not certify because they could not produce the same vote tally twice – even when assisted by Dominion employees
- Fulton and Gwinnett had an adjudication rate above 80%
- 66,247 underage people voted in this election

PA

Margin: 68,000 votes

- Over 200,000 more people votes in PA than there are registered voters
- Secretary of State removed all vote counts from public view on-line
- 682,777 mail-in votes were counted without any Republican verification witness

MI

Margin 147,000 votes

- 71% of the reporting precincts in Wayne County did not balance, and the SecState mandated certification anyway
- SecState sent a directive to all County Clerks demanding they delete all electronic voting records for 2020 – in contravention of state and federal election retention laws
- Antrim County has a proven 81% rejection rate that led to adjudication for all of those votes
 - o Adjudication has no oversight, no transparency, and in Antrim – no 2020 records
- 17,367 dead people voted

WI

Margin: 20,000 votes

- Indefinitely Confined voters – standard is 40,000 and the 2020 IC voters was 225,000
 - o Not a standard recognized by the court
- Law requires the retention of the absentee ballot requests
